

Nest Thermostat<sup>E</sup>

It's easy to save energy.

Its simple design and new frosted display blend into the background. And with proven energy-saving features, the Nest Thermostat E can help you save from day one.

Plus, you'll get a three-year extended warranty (that's two additional years of coverage) when you purchase your Nest Thermostat from a Nest Pro and have it installed by them.

# Nest Thermostat<sup>E</sup>

## It's easy to save energy.

The Nest Learning Thermostat saved US customers an average of 10% to 12% on heating and 15% on cooling in independent studies.<sup>†</sup> Nest Thermostat E has all of the same energy-saving features.

### Frosted display.

Blends into the background and fits into any home.

### Home/Away Assist.

Turns itself down after you leave.

### Remote control.

Use the Nest app to change the temperature from anywhere.

### Proven energy-saving features.

Like the Nest Learning Thermostat, the Nest Thermostat E can help you save from day one.

### Get up and running quickly with help from a Nest Pro.

When your Nest Thermostat E is installed by a Nest Pro, you'll have the peace of mind that comes with knowing a job was done right. Plus, you'll get a **three-year extended warranty\*** with installation. (That's two additional years of coverage.)

### Can help you save money and energy.

The Nest Thermostat E is proven to save energy. Your utility company may also offer you a rebate as a reward for choosing an energy-efficient thermostat.
